### SPAULDING PLUM.

The first of a new and valuable proof plum, has never failed to produce a full crop in 20 years.  
Flesh pale yellow, exceedingly firm, of sugary sweetness, though spicily and of great richness. Ripens from middle to last of Aug.

**BURBANK.**

A new Japanese variety, but sufficiently tried in this country to warrant its further dissemination ; quality the best ; a vigorous grower and very productive.

**VICTORIA.**

(SHARP'S EMPEROR.)

One of the most magnificent plums in cultivation ; of large size, good quality.

STANTON. U.S. DEPT. OF AGRICULTURE. 1912.

### STANTON.

An esteemed variety, and of great merit for the family or market. Tree a vigorous, healthy grower, and very productive.
